

Title IX Grievance Guidelines

Any student, parent/guardian, current or prospective employee or other individual within the school community who believes he/she has experienced and/or observed sex discrimination or sexual harassment (“grievant”) should promptly report the matter to the school’s Title IX Coordinator, a school counselor, principal, or other school administrator. A Title IX grievant is requested to complete a complaint form (Appendix D). Complaints of alleged sex discrimination, including sexual harassment, brought forth by students, parents/guardians, current or prospective employees, and other members of the school community will be promptly investigated in an impartial and in as confidential a manner as reasonably possible, so that corrective action can be taken if necessary.

Grievance Procedures

The grievance procedures will be as follows:

1. It is the express procedures at MODA to encourage the prompt reporting of claims of sex discrimination and/or sexual harassment. Timely reporting of complaints facilitates the investigation and resolution of such complaints. A form for such purpose can be found on our website and will also be provided to grievant. As it pertains to students, in appropriate circumstances, due to the age of the student making the complaint, a parent/guardian or school administrator may be permitted to fill out the form on the student’s behalf.
2. At the time the complaint is filed, the grievant shall be given a copy of these grievance procedures. It is the responsibility of the Title IX Coordinator or designee to explain these procedures and answer any questions anyone has. In addition, if the grievant is a minor student, the Title IX Coordinator should consider whether a child abuse report should be completed in accordance with MODA’s policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. The Title IX Coordinator or designee shall investigate the complaint as promptly as practicable but in no case more than ten (10) working days from the date the complaint was received. The Title IX Coordinator or designee shall have the complete cooperation of all persons during the investigation.
4. The Title IX Coordinator or designee shall meet with all individuals reasonably believed to have relevant information, including the grievant and the individual(s) against whom the complaint was lodged, and any witnesses to the conduct. The investigation shall be carried on discreetly, maintaining confidentiality insofar as reasonably possible while conducting an effective investigation.

5. If after an investigation, the Title IX Coordinator or designee determines that there is reasonable cause to believe that sex discrimination or sexual harassment has occurred, MODA shall take appropriate corrective action to ensure that the conduct ceases and will not recur. The Title IX Coordinator or designee shall also provide and or arrange for confidential counseling or training where appropriate. In addition, the Title IX Coordinator or designee shall seek an informal agreement between the parties which is consistent with MODA's Title IX principles and goals.
6. If no agreement satisfactory to the parties can be reached within twenty (20) working days from receipt of the complaint, the Title IX Coordinator or designee shall make a report to the School Board within thirty (30) working days from receipt of the complaint.
7. The School Board shall review the case and make its recommendations to the Title IX Coordinator within fifteen (15) working days after receiving the grievance.
8. The Title IX Coordinator shall make provisions to maintain all records of complaints and their disposition.
9. Retaliation against an individual for filing a complaint or cooperating in an investigation is prohibited, and MODA will take actions necessary to prevent such retaliation.

Dissemination of Information

MODA shall notify applicants for admission and employment, students, parents/guardians of elementary and secondary school students, employees, and sources of referral of applicants for admission and employment, that it does not discriminate on the basis of sex in the educational programs or activities which it operates, and that it is required by Title IX and its administrative regulations not to discriminate in such a manner. The notification shall be made in the form and manner required by law or regulation.
